# Digital Masterkeying

- Digital keys and digital cylinders reprogram for instant changes
- Audit trails increase accountability
- Custom schedules reduce risks
- Lost keys are simply deactivated
- Complete flexibility and functionality
- Product family includes Rim, Mortise, KIK cylinders, deadbolts, padlocks, and cam locks

CLIQ

# Needs & Applications

## Profile Needs

- Flexibility
- Speed
- Security
- Control
- Accountability
- Convenience
- Aesthetics
- Affordable

## Ideal Applications

- Commercial Facilities
- Data Processing Centers
- Distribution and Warehousing
- Educational
- Industrial and Light Manufacturing
- Local Government
- Outpatient Medical
- Restaurants
- Retail

# Simple Installation

- No wiring required
- No other hardware required
- No hardware modifications
- Leverage existing hardware
- Maintain fire ratings
- Significant installation time/cost savings
- Plug and play
- Every system custom produced
