

# Key Wizard™

Key Wizard™ is a comprehensive key management software package developed for locksmiths and end-users to track detailed information on keys, keyholders and locations. The program features easy to navigate, non-cluttered screens and uses a format similar to Microsoft Outlook®.

## Features for version 4.5:

- Free technical support & free upgrades for one year
- Clear, easy to read screens
- Multi-level password protection
- Manages multiple end-users and multiple key systems for most manufacturers
- Customized query, reporting, and search capability
- Global key search across multiple masterkey systems
- Comprehensive hardware listings for door locations
- Displays keyholder photos and signatures for identity verification
- Automatic reminders for maintenance, back-ups, and overdue keys
- Accurate key symbol sorting
- Key authorization tracking
- Customized key receipts and authorization forms
- Tracking of loaned keys and key deposits
- Storage of maintenance service history records
- Importing and exporting of key systems
- Importing of key systems, keyholders and location information
- Download of key bittings to ITL9700 code machine
- Pinning calculator for Medeco, KeyMark, Sargent & universal pin tumbler cylinders
- Audit trail tracks changes made to keyholders
- Printing of door number labels to ensure proper cylinder installation
- Cross keying
- Floor plan imaging
- Network and stand-alone versions available

## Computer System Requirements:

- 500 MHz processor or greater
- 70 MB hard disk space
- Windows® 98, 2000, ME, NT or XP
- 64 MB RAM
- CD drive
- Mouse pointing device

To request a free demo CD (part# SW-200001), or to purchase the full software package, contact your Medeco Account Executive or call Medeco Customer Service at **1-800-839-3157**. In Canada call **1-888-633-3264**.

Demo software can also be downloaded from [www.keywizard.net](http://www.keywizard.net). For technical questions contact KeyWizard Tech Support at 1-800-610-1706.
