

Cambria

The delicate ornamentation found on the Cambria line of high security residential hardware will add beauty to the entrance to any home while ensuring its occupants and contents have the best protection available. The Cambria handleset features a BHMA A156.5 Grade 1 Certified, UL437 Listed deadbolt, high-quality solid brass construction and is available in an assortment of beautiful finishes and functions.

The Perfect First Impression

The ornate Cambria handleset will enhance the style and value of any entrance. Its solid brass components and durable finishes ensure long life and lasting beauty.

Unmatched Security

At the heart of the Cambria is a UL437 Listed, BHMA A156.5 Grade 1 Certified deadbolt, offering unmatched protection against unauthorized key duplication, picking, drilling, wrenching, kicking, or other physical abuse. A solid, hardened steel bolt in heavy gauge steel housing provides maximum defense against physical attack.

Control Over Your Keys

The locking technology in the Cambria lockset is BHMA A156.30 Certified, giving you assurance that your keys are fully protected from unauthorized duplication as well as a UL437 Listing for protection against picking and drilling attacks. With this protection, you are assured of knowing exactly who has access to your possessions and loved ones. The Cambria, like all Medeco Residential locks, can be masterkeyed for maximum flexibility.

Available In Many Styles & Finishes

The Cambria is available with an interior knob or lever, single or double cylinder deadbolt, and in a host of finishes.

Specifications:

Solid brass construction.

Patented key and cylinder system.

Triple locking action makes lock virtually pickproof.

Hardened steel inserts provide resistance to drilling.

1" throw, hardened steel deadbolt resists sawing attack.

Internal bolt shroud protects against attack.

Solid brass collar on the deadbolt spins under pressure so a wrench attack is ineffective.

Certification:

UL437 Listed

ANSI/BHMA A156.5 (Deadbolt)

ANSI/BHMA A156.30 (Cylinder)

Warranty:

Limited lifetime warranty against manufacturers defects when used in residential applications.
